Calculations for Measures

MEASURE	DESCRIPTION AND HOW IT WAS CALCULATED
One-Year Retention Rate	<p>One-Year Retention Rate: The number of students in the Annual Cohort who are enrolled or graduated one year after their specific entry date divided by the number of students in the Annual Cohort.</p> <p>Annual Cohort: A group of students who share the same academic entry year. An academic entry year is defined as July 1 through June 30. Students are included in the annual cohort when they matriculate.</p>
