News and Updates

Join CHAMPS for One-on-One Peer Mentorship

Our CHAMPS Peer Mentoring program matches new students adjusting to the demands of pursuing a college degree (Mentees) with high achieving, upper-division students (Mentors) to create a space for peer-to-peer mentorship that promotes student development and success.

Department of the Interior Employer Information Session

August 19 • 12 p.m. PT

The U.S. Department of the Interior works alongside 11 bureaus and offices, offering career opportunities in fields such as conservation, communications, technology, administration, public affairs, and more. Learn about federal hiring pathways, connect with Department representatives, ask questions during the live session, and discover meaningful opportunities that support America's public lands and natural resources. Before the event, explore the Department's [Work with Us](#) video to hear directly about what it is like to build a career with the U.S. Department of the Interior.

Student of the Month | August 2026

Jessica Cameron-Lietz

Bachelor of Arts in Health Care Administration, Class of 2025; MBA student

Jessica Cameron-Lietz balanced life as a single mother of four, manufacturing leader, and youth wrestling coach while earning her UAGC bachelor's degree. Now completing her MBA with a 4.0 GPA, she will be her family's first master's graduate. Her story is a testament to resilience and leading by example.
