Opportunities to Share

ARTIFICIAL INTELLIGENCE INSIGHT LAB.

Help us Understand and Support Students in a Changing AI Landscape

We want to hear how artificial intelligence (AI) is – or isn't – showing up in your experience as a student at UAGC. You do not need to be an AI expert or even use AI to share your thoughts. We want to hear from students with a wide range of experiences and perspectives. If you are interested

in sharing your perspective, complete the form below and we'll be in touch!

Share your insight here

The appearance of U.S. Department of War (DoW) visual information does not imply or constitute DoW endorsement. Use of military-affiliated images does not imply endorsement of the Department of Veteran Affairs (VA).

Write a Letter and Honor a Veteran

This Veterans Day, help the UAGC Student Veterans of America (SVA) Chapter reach its goal of sending 100 letters of gratitude to Veterans. Join a live, family-friendly letter writing workshop on **Monday, November 9, at 5 p.m. PT**, or write a letter or create a drawing on your own. Letters will be distributed at the Carl T. Hayden VA Medical Center in Phoenix. You don't have to attend the workshop to participate. Visit the website linked below for letter-writing guidelines, submission instructions, the November 11 deadline, and workshop registration.

Resources

DriveTime Employer Coffee Chat

Watch this UAGC Career Services Employer Coffee Chat featuring Kayla Ardros, Senior Director of Talent Acquisition for the DriveTime family of brands! Learn how DriveTime goes beyond traditional automotive operations, with career opportunities in technology, data analytics, finance, software engineering, and product management. Kayla also shares insights into the hiring process, the value of transferable skills, and how students and alumni can position themselves for opportunities, even without direct automotive industry experience.
